Valid, partially used commuter tickets will be refunded by first subtracting the full one-way adult fare value multiplied by the number of used tickets from the actual sales price of the original discounted sales amount. At times, this will result in no refund of partially used commuter tickets. Should refund exist after loss of discount, there will be a 5% service charge applied to the total remaining value of unused tickets.

*Reduced fares apply to seniors, persons with disabilities and military personnel. Visit our website (transbridgelines.com) for additional policies regarding reduced fare pricing.
