## **COVID-19 DISCLAIMER**

The novel Coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is reported to be contagious. The state of medical knowledge is evolving, but the virus is believed to spread from person-to-person contact and possibly by contact with contaminated surfaces and objects or in the air. People reportedly can be infected and show no symptoms and therefore spread the disease. The exact methods of spread and contraction are unknown, and there is no known treatment, cure, or vaccine for COVID-19. Evidence has shown that COVID-19 can cause serious and potentially life threatening illness and even death. An inherent risk of exposure to COVID-19 exists in any public place where people are gathered. According to the Centers for Disease Control and Prevention, senior citizens and passengers with underlying medical conditions are especially vulnerable.

Trans-Bridge Lines, Inc. has taken enhanced health measures for our customers and employees, however, we cannot prevent any individual from becoming exposed to, contracting, or spreading COVID-19 while utilizing the Trans-Bridge Lines, Inc. or entering onto the Trans-Bridge Lines, Inc.'s premises. It is not possible to prevent against the presence of the disease.
