COVID-19 DISCLAIMER

The novel Coronavirus, COVID-19, is a worldwide pandemic as declared by the World Health Organization. COVID-19 is contagious. The virus can spread from an infected person's mouth or nose in small liquid particles when they cough, sneeze, speak, sing, or breathe. Current evidence suggests that the virus spreads mainly between people who are in close contact with each other. A person can be infected when aerosols or droplets containing the virus are inhaled or come directly into contact with the eyes, nose, or mouth. People may also become infected by touching surfaces that have been contaminated by the virus when touching their eyes, nose, or mouth without cleaning their hands.

Evidence has shown that COVID-19 can cause serious and potentially life-threatening illness and even death. An inherent risk of exposure to COVID-19 exists in any public place where people are gathered. According to the Centers for Disease Control and Prevention, senior citizens, individuals with underlying medical issues, and unvaccinated passengers are especially vulnerable.

You **MUST** follow all instructions and Trans-Bridge Lines, Inc. rules, both written and spoken, when traveling with Trans-Bridge Lines, Inc. Trans-Bridge Lines, Inc. requires that seats 1 and 2, on the passenger's side, remain open and are not to be occupied by passengers, unless instructed by Trans-Bridge Lines, Inc. management or the motorcoach driver.

Effective April 19, 2022, the Transportation Security Administration (TSA) will not enforce its mask-related security directives. TSA also is withdrawing SD 1582/84-21-01E, which was issued on April 15, 2022, and was scheduled to take effect on April 19, 2022.

Trans-Bridge Lines follows all TSA directives and will no longer require masks on our motorcoaches. Drivers and passengers have the option of wearing face coverings if they so choose.

Due to a Florida court ruling, the Center for Disease Control and Prevention's (CDC) January 29, 2021, Order requiring masks on public transportation conveyances and at public transportation hubs is no longer in effect. The CDC continues to recommend that people wear masks in indoor public transportation settings.

TSA's withdrawal of its directive does not preclude a transportation operator from imposing its own face mask requirements.

ASSUMPTION OF RISK:

By traveling with Trans-Bridge Lines, Inc., you voluntarily assume all risks related to exposure to COVID-19. You confirm that you have read and understand the warning concerning COVID-19 in order to utilize Trans-Bridge Lines, Inc. and entering onto the Trans-Bridge Lines, Inc. premises. You further confirm that these services are of such value to you, that you accept the risk of being exposed to, contracting, and/or spreading COVID-19 in order to utilize Trans-Bridge Lines, Inc. services and premises in person.

WAIVER OF LIABILITY:

By use of our service, you hereby forever release and waive your right to bring suit against Trans-Bridge Lines, Inc. and its owners, officers, directors, managers, officials, trustees, agents, employees, or other representatives in connection with exposure, infection, and/or spread of COVID-19 related to utilizing Trans-Bridge Lines Inc.'s services and premises. This means you give up your right to bring any claims including for personal injuries, death, disease, or property losses, or any other loss, including, but not limited to claims of negligence, and give up any claim to seek damages, whether known or unknown, foreseen or unforeseen.
