

Must-Know Info! Parking Permits at Lehigh Valley Airport Lot

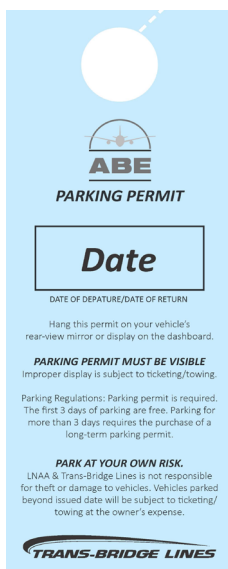

Trans-Bridge Lines would like to remind our passengers about the proper use of parking permits at our designed lot at the Lehigh Valley International Airport, located near the intermodal bus loop.

Parking in this area is by permit only.

Please be aware of the following important guidelines to ensure a smooth parking experience:

☒ Valid Permits

Only blue parking permits are valid. When printing the permit, a black and white copy is acceptable.

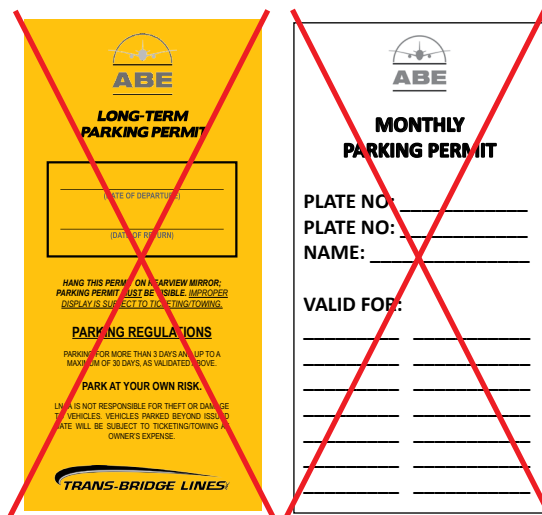

☒ Invalid Permits

The old white plastic permits have not been accepted since October 3, 2022. We also no longer issue gold long-term parking permits.

☒ Altered Permits

Permits with whiteouts, crossouts, or handwritten modifications to dates are not permitted.

☒ Permit Rates

First 3 Days: Parking is free, but a permit is still required.
Day 4 and Beyond: \$5 per day thereafter (rates subject to change).

Commuter Pass Holders: Parking permits are free for the duration of the pass.

☒ Obtaining Permits

In-Person: Visit our Main Office at 2012 Industrial Drive, Bethlehem, approximately one mile from the airport. Office hours are Monday through Friday, 8 a.m. to 4 p.m.

To receive via email: Call 610-868-6001 or email webmaster@transbridgelines.com

If we determine a payment is due, you will be contacted by one of our representatives before the permit is issued.

Permits sent via email will need to be printed and displayed on your vehicle's dashboard or rearview mirror.

☒ Citations

All violators will be ticketed and/or towed at the owner's expense. The lot is owned and patrolled by the Lehigh Northampton Airport Authority. Trans-Bridge Lines cannot rescind any citations issued. Passengers will need to contact the Airport Authority directly at 800-359-5842 to inquire about resolutions.
