

**Book Early. Save More.****New Market Pricing Fare Structure Begins**

**Starting August 1**, Trans-Bridge Lines is making travel even more affordable by introducing our new Market Pricing fare structure!

Our new pricing structure is designed to reward customers who plan travel ahead. The earlier you book your trip, the greater your opportunity to save. Whether you're traveling for business, or planning a recreational day in New York City, booking early can help you secure our lowest available fares.

Market Pricing applies to all regular ticket purchases, regardless of how you choose to buy your ticket. Customers will receive the same pricing opportunities when purchasing:

- In person at any Trans-Bridge Lines ticket office

- By phone through a Customer Service Representative
- Online through:
  - ✓ TransBridgeLines.com
  - ✓ Trans-Bridge Lines Mobile App
  - ✓ BusTickets.com
  - ✓ Wanderu.com
  - ✓ Trailways.com
- Through any Authorized Trans-Bridge Lines Ticket Agent

With Market Pricing, fares will vary

based number of days out from travel. The closer to the date of travel, the higher the fare, making it even more beneficial to reserve your travel as early as possible.

**This new fare structure does not apply to Reduced Fares, Commuter Passes, Pier Transportation or Wind Creek Special Same Day Fares, which are already deeply discounted.**

This fare structure provides customers with greater flexibility and more opportunities to save while continuing to enjoy the reliable, comfortable service Trans-Bridge Lines is known for.

With multiple departure times, no transfers, and an average travel time of 2.5 hours, this new way to save on bus tickets further strengthens Trans-Bridge Lines as the preferred choice for transportation in our service areas.

[August Commuter Fares >](#)

**Children's Fares Discontinued**

Trans-Bridge Lines would like to inform passengers that we no longer offer discounted Children's Fares.

Adults traveling with children will be required to purchase a regular One-Way ticket for each child, regardless of age. This fare policy applies to all travel on Trans-Bridge Lines services.

**Tickets Purchased in New York to New Jersey Stops**

Tickets purchased through Peter Pan Bus Lines in New York are no longer subject to the Port Authority of New York and New Jersey surcharge.

Passengers purchasing tickets through Peter Pan Bus Lines locations in New York will now pay the applicable ticket fare without this additional surcharge.

**Last Call for Special \$31 Fare!**

**Our Special \$31 Fare is available through July 31.** Passengers have until the end of the day on July 31 to purchase tickets and take advantage of this special savings opportunity.

Beginning August 1, Trans-Bridge Lines will transition to our new Market Pricing Structure, offering passengers the opportunity to save by booking early.

**IN THE NEWS ...****Understanding What Drives Fuel Costs**

Fuel prices can change frequently, but many factors contribute to those fluctuations beyond the price of crude oil alone.

We're sharing this informative news article to provide insight into the key elements that influence fuel costs, including global supply and demand, refining

capacity, seasonal changes, transportation costs, and market conditions.

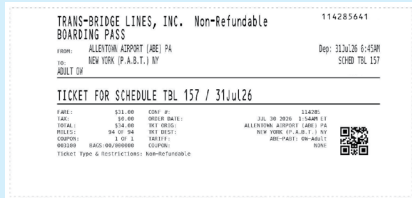

We hope this article offers a better understanding of the many factors that impact fuel pricing and the transportation industry as a whole.

# Boarding Reminder: Please Have Your Full Ticket Ready

At Trans-Bridge Lines, our goal is to provide efficient and accurate service for every passenger.

While many customers conveniently display the QR code on their mobile ticket for scanning, there are times when our motorcoach drivers may ask to see the entire ticket.

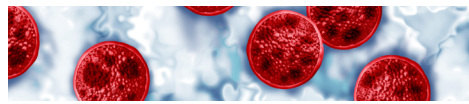

**If a driver requests that you display your full ticket —not just the QR code— please do so.** This information helps the driver verify important travel details, including your boarding and drop-off locations, ticket type, and other information necessary to ensure you are traveling on the correct reservation.

For example, the driver may need to confirm:

- Your scheduled drop-off location
- Whether your ticket is a Reduced Fare ticket or another special fare type
- Other reservation details that are not visible when only the QR code is displayed

We appreciate your cooperation.

Source: Centers for Disease Control - CDC.gov

Cyclospora is a microscopic, single-celled parasite that causes an intestinal illness. People get infected by eating food or drinking water contaminated with human feces.

Since May 1, the CDC has received reports of 6,707 laboratory-confirmed cases and is aware of more than 11,500 additional cases that are not laboratory confirmed.

**The CDC is publishing weekly data updates** due to the increase in cases in multiple states. It is investigating multiple cluster cases, including one outbreak affecting nine states and linked to iceberg lettuce.

# The Latest on Cyclospora and How to Prevent It

## Prevention Tips ...

- ✓ Wash hands with soap and water before and after handling raw fruits and vegetables.
- ✓ Wash all fruits and vegetables thoroughly under running water, even if labeled as pre-washed. Scrub firm fruits and vegetables.
- ✓ Cut away bruised or damaged areas.
- ✓ Cook produce to 158°F to kill parasites.

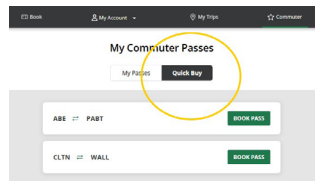

[View all CDC Information on Cyclospora >](#)

If you are a commuter with Trans-Bridge Lines and have an account, it will recognize your most purchased Commuter Passes and store them under the Quick Buy button.

The Quick Buy button is located under the ☆ Commuter header .

# More Flexibility for Commuters

We are making it easier for commuters to travel between our stop locations!

Beginning August 1, all Pennsylvania stop locations will have the same Commuter Pass pricing, while all New Jersey stop locations will have the same Commuter Pass pricing.

## What Does This Mean for You?

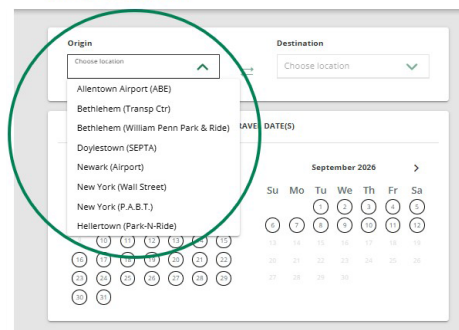

This change gives commuters more flexibility when choosing where to board or exit the bus. If your plans change or you need to use a different stop, you can easily cross-book between locations within your state without having to purchase a different Commuter Pass.

For example, a Pennsylvania commuter who normally travels from Wescosville, PA can book a trip to or from the Lehigh Valley Airport stop when needed.

The same flexibility applies to commuters traveling between New Jersey locations.

## How Do I Book Another Stop?

When booking your ride, simply select your desired location from the drop-down menu. As long as the locations are within the same state, you can choose the stop that works best for your schedule.

Please note: Pennsylvania Commuter Pass holders cannot cross-book to a New Jersey stop, and New Jersey Commuter Pass holders cannot cross-book to a Pennsylvania stop.

# Honors & Accolades!

**Susan Heffelfinger, Trans-Bridge Lines Charter Manager**, was honored on Tuesday, May 5, by the Lehigh Valley Yankee Fan Club in recognition of her outstanding work managing the club's various charter trips.

The event was held at Hampton Lanes, where Susan was inducted into the organization's Hall of Fame and presented with a certificate and trophy!

**Janet JeBran, General Manager of Trans-Bridge Tours**, left, and **Jen Lechiski, Communications Manager**, right, represented Trans-Bridge Lines at the Bethlehem Chamber Annual Awards Reception on May 28.

The event was held at Iacocca Hall on the Lehigh University Campus. Trans-Bridge was honored as a Milestone Honoree for its 85th anniversary.

## More Ways to Buy Trans-Bridge Lines Tickets

Booking your next trip is easier than ever! In addition to purchasing tickets through the Trans-Bridge Lines website, mobile app, ticket offices, and by phone, you can now buy Trans-Bridge Lines tickets online through [Wanderu.com](http://Wanderu.com), [BusTickets.com](http://BusTickets.com), and [Trailways.com](http://Trailways.com).

Please note that Trailways ticket sales are available online only. The Trailways ticket counter at the Port Authority Bus Terminal **does not sell** Trans-Bridge Lines tickets.

## Reduced Fare Reminder: Please Have Your ID Ready When Boarding

Reduced Fares apply to seniors, individuals with disabilities, and military personnel. The reduced fare applies only to trips with a New Jersey or New York City destination or point of origin, including Port Authority Bus Terminal and Newark Airport. Reduced Fares do not apply to Special Same-Day Fares to Wind Creek Bethlehem.

Passengers traveling with a Reduced Fare ticket are reminded to have their eligible identification ready to present to the driver when boarding. Having your ID readily available helps ensure a smooth and efficient boarding process.
